[Learn more](#)

**Return to login page**

✓ Password changed successfully. Log in with your new password. ✕

## Step 8:-Open IDEAL Mobile Application and Click on Login

## Step 9:-Enter details and newly set password

The screenshot shows the DBS Business login screen. At the top, there is the DBS Business logo. Below the logo, there are three input fields: "Organisation ID" with the value "INDBSI02", "User ID" with the value "PRANJAL", and "PIN, Password, or Reg. code" with a masked input "\*\*\*\*\*". Below the fields, there is a red button with a keyboard icon and the text "Use virtual keyboard". At the bottom, there is a large red "Log in" button and a white button with a red border and the text "Login with email". Below the buttons, there are links for "Forgot login PIN or password / Unlock account", "Need help logging in?", and "Security & You".

**Please ensure new password set on web is used and not the initial Registration Code**

## Step 10:-Register Digital Token

The screenshot shows the "Register Digital Token" screen in the DBS IDEAL mobile application. At the top, there is a notification bell icon, the time "6:07", and the "App Store" link. Below the notification, there is the title "Register Digital Token" and an illustration of a digital token with a dollar sign. Below the illustration, there is a message: "To get started, we'll need to do the following:". Below the message, there is a list of three steps: "1 Verify your identity", "2 Set up Digital Token", and "3 Secure your Digital Token". At the bottom, there are two buttons: "Register later" and "Register now".

## Step 11:-Verify Identity using Email & SMS OTP

6:07  
App Store

Verify your identity

Enter the 6 digit OTP starting with <b>eU5w</b> sent to p\*\*\*\*\*@g\*\*\*i.com

e U 5 w -

Resend OTP (53)

## Step 12-Device Setup as Digital Token

JD-DBSBK <DBS IDEAL> now  
You've successfully set up a new digital token f...

You've set up your Digital Token

You can now use this device as your Digital Token to transact securely.

- If you **lose or change your device**, install the DBS IDEAL app to set it up as your new Digital Token.
- The Digital Token works even if you **change your SIM card** (e.g. while traveling).
- The Digital Token works on **only one device** at a time.
