

Accounts Receivable Financing

Unlock cash from your receivables

Finance up to 90% of invoice value of your cross-border and domestic sales.

Applicable to invoices in multiple currencies.

Simple documentation requirement with fast processing turnaround.

At a glance

- Allow your buyers to enjoy extended credit terms.
- Optimise your working capital flows.

Designed for

- Exporters selling on open account terms that are looking to improve cash flow.
- Companies with established relationship with their buyers.

How it works

Your benefits

- Strengthen your negotiation with buyers and secure trade contracts with improved terms of trade.
- Increase cash flow from your receivables to improve working capital.
- Receive payment from your buyers in their local currency to help them save on foreign exchange conversion.
- Enable you to grow your business by engaging multiple buyers in various markets.

Our solutions

- We enable you to offer credit terms to your buyers according to your working capital needs.
- We finance up to 90% of your invoice value.
- Financing of invoices issued by your company in buyers' preferred currencies.

⦿ Your benefits

- Flexibility to negotiate commercial terms with your buyer.
- Save time from visiting the Trade Counters/Branch.
- Enjoy faster processing turnaround time when you submit an application online.
- Be in control of your cash flow with notification on loan disbursement and reminders on loan settlement.
- Ease of obtaining financing.

⦿ Our solutions

- Invoice financing is not subjected to uniform trade customs and practices, unlike Letter of Credit or Documentary Collection.
- Convenient online services:
 - Submit applications via DBS IDEAL or SmartForm.
 - Give settlement instructions via IDEAL.
 - Receive immediate notification when your loan is disbursed, with the option to be notified via email or SMS.
 - Receive timely reminders on your financing settlement due date.
- Easy application with simplified documentation requirements.

What makes us different

⦿ Why we are different

- A specialist team of trade advisors to provide guidance on solutioning.
- Best-in-class cut-off time for submission of application.
- We offer invoice financing in a broad range of currencies.
- A fully digitised solution with IDEAL.

⦿ How it helps you

- Structure your export financing facilities around your trade cycle, to ensure the terms meet your business needs.
- Convenience and flexibility in accommodating your financing needs.
- Grow your business with a variety of buyers in various markets by offering financing in different currencies.
- IDEAL enables you to manage your trading needs seamlessly across the various stages of your trade cycle – from order and production to shipment, delivery and settlement.
- Offers you the convenience of submitting trade applications and supporting documents online, and keeps you informed of application status via reports and advices.
