## Savings That Go Beyond Your Savings

Invest in your future and the planet's too!

Open a **DBS Bank Fixed Deposit** and  
plant your own tree in the **Sundarbans**.

Get a **personalized e-certificate** verifying  
the location of your tree.

Enhance the biodiversity of the **Sundarbans**,  
**West Bengal** with your Fixed Deposit savings.

The Sundarbans is the world's largest mangrove delta, which is home to the majestic Royal Bengal Tiger. Every tree that is planted here will help in contributing to the habitat conservation of their species. Also, the plantation of mangroves around villages at the periphery of the Sundarbans National Park will directly impact rural livelihoods by creating jobs in nurseries and planting activities.

AN INVESTMENT THAT GUARANTEES  
RETURNS IS AN INVESTMENT IN  
**PLANET EARTH!**
