

About Regulated Research provided by CRISIL Limited

CRISIL Limited is registered as a Research Analyst with SEBI (Registration No INH000007854), herein referred to as “CRISIL Research”. We provide insights, opinion, analysis, and data on the Indian economy, industry, capital markets, and companies.

We are the largest valuation agency for fixed income securities, and a prominent debt and hybrid index provider in India. We publish rankings for mutual fund schemes, and provide granular portfolio analysis services for asset managers, financial intermediaries, retirement funds and institutional investors.

Our data and analytics platforms - Alphatrx and Quantix - enable our clients to assess Industry and Company level risks based on CRISIL’s proprietary models.

CRISIL ESG Scores help benchmark companies based on their inherent ESG risk using public domain information and a proprietary framework.

Our Company reports (that combine select financial and non-financial data, analytics from our proprietary risk models, and commentary on company’s financial performance) are used by commercial banks, financial institutions, and non-banking finance companies as part of their credit/ risk management process.

Our SME Gradings, used by lenders, assess creditworthiness of SME enterprises relative to the peers leveraging our proprietary grading model. The framework includes assessment of entity-level financial and operating performance, as well as industry-level drivers.

"Registration granted by SEBI and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors
