Interest accrues and is calculated on a daily basis on the total outstanding balance on that day, and is compounded and will be payable monthly, as on the due dates set in the Payment Schedule provided by the Lender. Interest in the normal course will form a part of the Equated Monthly Installments (EMIs) or Pre-EMIs payable by the Borrower(s). IV. Rate of Interest/Type of Interest and change in Rate of Interest

The Rate of Interest is the rate at which the Lender will compute and apply interest on the Loan.

Rate of Interest may be of 3 types: Fixed Rate of Interest, Floating Rate of Interest, or Hybrid Rate of Interest (being a combination of Fixed Rate of Interest and Floating Rate of Interest, that is to say that the interest rate would be fixed for a specific period and floating for the balance tenure of the Loan). Switch from one type of Rate of Interest to another may be permitted by the Lender, at its sole discretion, subject to such terms and conditions as the Lender may deem fit, including but not limited to payment of such fees/charges by the Borrower as the Lender may specify. The Floating Rate of Interest is linked to the RBI Policy Repo Rate which is subject to change from time to time. Any change in the RBI Policy Repo Rate will result in a change in the Rate of Interest applicable to the Loan. Any such change will be notified to the Borrower and will apply from the date of such change. The standard reset date for the Floating Rate of Interest (unless otherwise informed by the Lender to the Borrower) is the 7th day of each quarter (i.e. 7th January, 7th April, 7th July, 7th October) or 7th day of the subsequent month in which the RBI Policy Repo Rate is changed.

V. Fees and Charges Applicable

All fees and charges applicable to the Borrower(s) may be found in the Schedule of Charges attached to the Loan Application Form and/or on the official website of the Lender.

VI. Default Interest

In the event of payment defaults, the Borrower shall pay to the Lender interest on any overdue amounts i.e. any amounts, in relation to which payment has not been made on the relevant Due Date, and in case of the occurrence of any other Event(s) of Default (not for non-payment), the Borrower agrees to pay to the Lender interest on the total Outstanding Balance, at the rate mentioned specified in the Loan Agreement/Schedule of Charges over and above the applicable Interest Rate. Default interest shall be calculated daily based on the actual number of days in the year. Without prejudice to the foregoing, and for clarity, if the Lender recalls the Loan or any part thereof, the Borrower shall have to pay Default Interest on all outstanding principal, interest and other money(s) due and owing to the Lender from the date of recall until the date of full payment to the Lender.

VII. Conditions for Disbursement

The Lender may disburse the Loan (or any part thereof), at its discretion, subject to fulfilment of certain conditions precedent as more particularly mentioned in the Loan Agreement, a few of which are stated below. The full list of conditions precedent and subsequent are stated in Clauses 3.2 and 3.3 of the Loan Agreement and must be carefully read by the Borrower(s).

- The Borrower must fulfill the Bank's requirement of creditworthiness
- The Borrower(s) must have executed all necessary security documents in favour of the Lender, and deposited with the Lender original title deeds to the Property.
- In case of a Housing Loan, the Borrower must pay the entire margin amount (i.e. the difference between the purchase price and the sanctioned loan amount) before disbursement of the Loan or any part thereof.
- No 'Events of Default' (as fully described under Clause 11 of the Loan Agreement) should have happened, which includes but is not limited to giving of misleading information to the Lender, the Borrower being declared insolvent, a depreciation in the value of the secured property, and default in duly performing obligation under any other loan or facility availed of from the Lender by the Borrower.
- The Borrower shall have furnished to/procured for the Lender all necessary documents, undertakings, indemnities, declarations etc. and done/procured to be done all necessary acts, deeds, etc. as may be required by the Lender.

VIII. Loan Drawdown / Disbursement

The Loan (or any part thereof) may be disbursed by the Lender upon receiving a drawdown request from the Borrower. The entire Loan Amount should be availed of within the Availability Period specified by the Lender. The loan sanction may be kept open at the sole discretion of DBS Lender for an additional period of such number of days beyond the Availability Period as the Lender may at its sole discretion deem fit. The Lender may, at any time, at its sole discretion, recall the Loan (in whole or part).

The mode and manner of disbursement is left to the sole discretion of the Lender. The disbursement of the Loan or any part thereof by the Lender may be made to the Borrower, or directly to the developer/builder/construction company /contractor/seller of the Property, where applicable or any other concerned Person, as the Lender may in its sole discretion deem fit. In case the Loan being availed of by the Borrower is in replacement/switchover of a housing loan earlier availed of by the Borrower from another bank/financial institution, the disbursement of the Loan Amount or any part thereof by the Lender may be made to the Borrower, or directly to such other bank/financial institution, as the Lender may in its sole discretion deem fit.

IX. Repayment

The Borrower will repay the principal/Loan together with the interest calculated on the reducing principal balance by way of Equated Monthly Installments or EMIs, if not demanded earlier by the Lender in accordance with the terms of the Loan Agreement, as stipulated in the Repayment Schedule Agreement or as may otherwise be communicated by the Lender to the Borrower from time to time. Provided that the Lender shall be entitled to re-compute and/or modify the amounts constituting the EMI(s) and the dates for payment thereof by the Borrower on the occurrence of any event which in the opinion of the Lender necessitates a re-computation/ modification of the same. In the event of any such modification, the Borrower hereby agrees and undertakes to issue fresh Payment Instruments as the Lender may require. Strict compliance with the Repayment Schedule as communicated by the Lender from time to time is an essential condition for the grant of the Loan.

Without prejudice to the general right available to the Lender to vary or amend the Repayment Schedule, from time to time, the Lender shall be entitled to amend the Repayment Schedule (including without limitation varying the amount of each PEMI (as applicable) or EMI), in case of:

- any change occurring in the Interest Rate applicable to the Loan as per the provisions of the Loan Agreement, to reflect the change in the Interest Rate; and/or
- Disbursement of the Loan Amount in tranches/parts, each time a tranche is disbursed under the Loan.

Consequent to any change in the Floating Interest Rate, the Lender may at its sole discretion, decide not to change the EMI amount, in which event, in case there is an increase in the Floating Interest Rate, the interest component in an EMI will increase and the principal component will reduce resulting in an extension of the term of the Loan and vice versa when the Floating Interest Rate decreases. In the event of any increase in the Floating Interest Rate, and consequential increase in the EMIs/ PEMIs which are required to be paid by the Borrower, the Borrower shall be required to pay such increased EMI/ PEMI amount and/or the resultant differential amount as determined by the Lender in its sole discretion and intimated to the Borrower. The Lender, at its sole discretion but without being bound to do so, may at the request of the Borrower and on payment of a Repricing Fee by the Borrower permit the Borrower to change the applicable Interest Rate, with effect from a prospective date acceptable to the Lender. The Repricing Fee shall be determined by the Lender, from time to time, at its sole discretion. Such Repricing Fee shall be intimated by the Lender every time the Borrower makes a request for change in the applicable Interest Rate.

The Borrower is required to make payment of the EMIs through Standing Instructions from their account held with the Lender, or through the Electronic Clearing System (Debit) by setting up a mandate for such payments, through the National automated Clearing House (NACH) system by setting up mandates for such payments or by providing the Lender with sets of Post-Dated or Undated Cheques or by such other modes as may be acceptable to the Lender. Such instructions /mandates/cheques must be executed and delivered to the Lender at such time(s) as may be stipulated by the Lender.

The Borrower shall ensure that the payment instructions/mandate/cheque is honoured and therefore must ensure that:

- Sufficient funds are available in the designated account to be debited;
- No cancel / stop payment have been put on the cheques/payment instruments given towards repayment;
- The Standing Instructions/ECS/NACH Mandate(s) is/are not varied or cancelled without the prior written consent of the Lender; and
- The designated account to be debited is neither closed not changed without the prior written consent of the Lender;

Failure to ensure the above, resulting in dishonour of the SI/ECS/NACH mandate/cheque will be treated as an Event of Default in terms of the Loan Agreement and trigger the consequences set out therein for the same. Without prejudice to the same, such dishonour may also result in exercise by the Lender of criminal remedies as may be available under law.

X. Flexi Facility

Flexi Facility is a facility by which (if the same is granted by the Lender to the Borrower, at its discretion), the Borrower(s) may open a current account (known as a Flexi Account) with the Lender which will be linked to the Borrower(s)'s loan account (for Housing Loan or Loan Against Property). At the end of each day any credit remaining in the current account will be adjusted against the outstanding principal amount in the loan account, thereby reducing the amount of interest due. All standard terms and conditions applicable to a current account opened with the Lender will also apply to the Flexi Facility, to the extent not inconsistent. The two accounts will for all practical purposes be treated as one and the same, and a single statement of dues/statement of account will be issued in respect of the same. Conversion from/to Flexi Facility may be permitted by the Lender, at its sole discretion, subject to such terms and conditions as the Lender may deem fit, including but not limited to payment of such fees/charges by the Borrower as the Lender may specify.

If prepayment/foreclosure is made by cheque, the prepayment/foreclosure by the Borrower takes effect/would be deemed to have been made only when the cheque is cleared and the account of the Lender is credited.

Prepayment/Foreclosure charges if any will be applicable to such prepayment/foreclosure in accordance with the Schedule of Charges. However, no prepayment/foreclosure charges will be charged on loans where the interest rate is floating, or loans where the interest rate is hybrid and foreclosure is made after the fixed period (during which the fixed interest rate applies), where after the floating interest rate becomes applicable,.

The Lender shall be made/named as the sole beneficiary/loss payee under the policy and shall produce evidence thereof to the Lender. In the event of the Borrower failing to insure the Property to the satisfaction of the Lender, the Lender shall be entitled to cause the Property to be insured with an insurance company for all risks that the Lender may, in its sole discretion, deem fit and to debit the insurance charges to the Loan Account of the Borrower.
