

SCALE UP FOR

Good

We have been supporting social enterprises in scaling their businesses and social impact since 2014. Our grants have helped many businesses improve operational capacity and innovation capabilities, expand geographical reach, and deepen their social impact.

WHO ARE WE LOOKING FOR?

Social enterprises who are scaling up their business and working towards increasing social impact in Asia.

They must:

- Be registered as a business entity or have a presence in these markets - Singapore, India, Indonesia, Taiwan, Hong Kong and China
- Demonstrate track record in environment and/or social impact
- Have a proven business model and track record in sales and profitability
- Be innovative with differentiated product, offering and business model
- Demonstrate opportunities for growth and potential to scale-up

WHAT IS THE GRANT AMOUNT?

Social enterprises may receive up to **SGD 250,000** in grants.

We are looking for innovative businesses working towards Zero Food Waste.

- Reduce food loss along the supply chain
- Reduce food waste disposals in food malls
- Recycle or upcycle food waste
- Solutions to track and measure organic/inorganic food waste
- Solutions to segregate and treat food waste
