The share awards will not be subject to a vesting period, but will be subject to

The actual number of shares to be awarded will be determined by reference to the volume-weighted average price of a share on the SGX-ST over the 10 trading days immediately prior to (and excluding) the date of the forthcoming Annual General Meeting, rounded down to the nearest share, and any residual balance will be paid in cash. Special Business

Ordinary Resolution 9: DBSH Share Plan

Resolution 9 is to empower the Directors to offer and grant awards and to issue ordinary shares of the Company pursuant to the DBSH Share Plan, provided that: (a) the maximum number of ordinary shares which may be issued under the DBSH Share Plan and the DBSH Share Option Plan is limited to 5% of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time; and (b) the aggregate number of new ordinary shares under awards which may be granted pursuant to the DBSH Share Plan from this Annual General Meeting to the next Annual General Meeting shall not exceed 1% of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time. The 1% sub-limit is lower than the 2% sub-limit approved by shareholders at last year's Annual General Meeting. The DBSH Share Option Plan expired on 19 June 2009 and was not extended or replaced. There are no longer any options outstanding under the DBSH Share Option Plan. As at 1 March 2018 (the "Latest Practicable Date"), the Company had 65,700 treasury shares and no subsidiary holdings.

Ordinary Resolution 10: Share Issue Mandate

Resolution 10 is to empower the Directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to

issue shares in pursuance of such instruments, up to a number not exceeding in total 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company, of which the number of shares that may be issued other than on a *pro rata* basis to shareholders must be less than 10% of the total number of issued shares (excluding treasury shares and subsidiary holdings). For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company at the time that Resolution 10 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Resolution 10 is passed, and (b) any subsequent bonus issue, consolidation or subdivision of shares.

Ordinary Resolution 11: DBSH Scrip Dividend Scheme

Resolution 11 is to authorise the Directors, should they choose to apply the DBSH Scrip Dividend Scheme ("Scheme") to a qualifying dividend, to issue such number of new ordinary shares of the Company as may be required to be issued pursuant to the Scheme to members who, in respect of a qualifying dividend, have elected to receive scrip in lieu of the cash amount of that qualifying dividend. If the Directors should decide to apply the Scheme to a qualifying dividend, the current intention is that no discount will be given for the scrip shares.

Ordinary Resolution 12: Proposed renewal of the Share Purchase Mandate

Resolution 12 is to renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use its internal sources of funds to finance its purchase or acquisition of the ordinary shares of the Company ("Ordinary Shares"). The amount of financing required for the Company to purchase or acquire its Ordinary Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on whether the Ordinary Shares are purchased or acquired out of capital or profits, the number of Ordinary Shares purchased or acquired and the price at which such Ordinary Shares were purchased or acquired.

Based on the existing issued and paid-up Ordinary Shares as at the Latest Practicable Date and excluding any Ordinary Shares held in treasury, the purchase by the Company of 2% of its issued Ordinary Shares will result in the purchase or acquisition of 51,277,414 Ordinary Shares.

Assuming that the Company purchases or acquires 51,277,414 Ordinary Shares at the Maximum Price, in the case of both market and off-market purchases, of SGD 30.66 for one Ordinary Share (being the price equivalent to 5% above the average closing prices of the Ordinary Shares traded on the SGX-ST over the last five market days on which transactions were recorded immediately preceding the Latest Practicable Date), the maximum amount of funds required is approximately SGD 1.6 billion.

The financial effects of the purchase or acquisition of such Ordinary Shares by the Company pursuant to the proposed Share Purchase Mandate on the financial statements of the Group and the Company for the financial year ended 31 December 2017 based on these and other assumptions are set out in paragraph 2.7 of the Letter to Shareholders dated 28 March 2018 (the "Letter").

Please refer to the Letter for further details.
