

Nov, 2021 The ability of the banking industry to achieve its socio-economic objectives and in the process bringing more and more customers into its fold will ultimately depend on the satisfaction of the customers. We have a strong belief that a satisfied customer is the foremost factor in developing our business.

A need was felt by us at DBS Bank India Limited that in order to become more customer friendly the Bank should come out with charter of its services for the customers.

This document highlights DBS Bank India Limited commitments towards customer satisfaction, thus ensuring accountability and responsibility amongst our officials and staff. This charter for customers not only explains our commitment and responsibilities along with the redressal methods but also specifies the obligations on the part of customers for healthy practices in customer-banker relationships.

The charter has been prepared to promote fair banking practices and to give information in respect of various activities relating to customer service.

We wish to acknowledge the encouragement and guidance provided by the Reserve Bank of India and the Indian Banks' Association to help us bring out this charter. We maintain constant consultations with our customers and seek their feedback to evaluate, improve and widen the range of services provided by us. All our customers are requested to share their experiences about the various services rendered by the Bank and feel free to comment on this charter.
